

# RECOVERY CAN'T WAIT

a capital campaign for Healing Transitions

## The Stewards Fund Challenge

Healing Transitions' volunteer leaders and staff are deeply grateful to **The Stewards Fund** for the opportunity to participate in a Challenge Grant for our *Recovery Can't Wait* \$11.75 million Capital Campaign. This Challenge will create significant momentum for the Campaign and help Healing Transitions expand its programs and services for men and women who want to find recovery, stay in recovery, and have the best quality of life in recovery.

We are thrilled to announce a generous **\$250,000** challenge match from **The Stewards Fund**, which will **begin on June 15 and continue through September 15, 2019**. In order to receive this generous match, **we must raise \$500,000** during that time period. This valuable challenge allows donors to increase the impact of their gifts and encourages early payment of pledges.

### Key Points:

- **This is an all or nothing challenge:**
  - **If we do not raise at least \$500,000, we get nothing.**
- **Funds may come from anywhere except government sources.**
- **Funds may come from current, lapsed, or new donors.**
- **Gifts may be paid over a two-year period as long as they are pledged during the June 15 – September 15, 2019 time period.**
